

Bella Ciao

Blue and red! Blue and red! Blue and red, red, red! The world is listening to our singing: blue and red, blue and red, blue and red, red, red! With our friends now, we own this city! We're gonna shake the gates of hell! Next time you see us, we will be smiling. Blue and red, blue and red, blue and red, red, red! Three points in hand now, we will be singing, Eleven's gonna shock the world!

Blue & Red

I'm blue and red, until I'm dead! Blue and red 'til I'm cold and dead. I will stand and sing for Eleven, 'cause I'm blue and red 'til I'm dead.

All for In-dy. We score, we sing. I’ll take one win, passion within. Always, I know, I’ll be in this row. Standing, singing, and celebrating. It’s time to sing, this is our ode. It’s a game night, Indy’s at home. Na, na, na.

Checkered Scarf

Around her neck, she wore a checkered scarf! She wore it in Indy to watch Eleven play. And if you ask her why the hell she wore it, she wore it for the Boys and for Lady Victory! Victory! Victory! She wore it for the Boys and for Lady Victory.

Back Home Again (in Indiana)

Back home again in Indiana, and it seems that I can see the gleaming candlelight, still burning bright, through the sycamores for me! The new mown hay sends all its fragrance through the fields I used to roam. When I dream about the moonlight on the Wabash, how I long for my Indiana home!

Red, White, & Blue

We are red, white, and blue. Whoa-oh, whoa-oh. We are red, white, and blue. Whoa-oh, whoa-oh. We are red, white, & blue. We will score more goals than you! Whoa-oh, whoa-oh, oh.
